Feed Compounder is a UK based journal for the animal feed industry dealing exclusively with feed matters. If you work for a feed company, or advise or supply feed manufacturers, then *Feed Compounder* is your best bet for keeping in touch.

Feed Compounder is a complete magazine for the feed industry and caters for its full range of personnel. The journal is read by senior executives, mill managers, production managers, nutritionists, raw materials buyers, supplement manufacturers, feed salesmen and feed merchants. Strong, informed editorial comment and opinion sections, in-depth technical articles and pertinent news columns guarantee you full value for money from each issue. Without question, ***Feed Compounder*** is the most informed and highly regarded publication serving the trade.

Other factors set ***Feed Compounder*** apart. High quality paper and printing ensure the best possible reproduction. High standards of appearance and accuracy and strict adherence to publication dates are indicative of the care which goes into all stages of production. The formula is successful; the subscription renewal rate of over 95 per cent clearly indicates the degree of reader satisfaction. The question most frequently asked at renewal time is – do we need any extra copies?

If you wish to keep informed of all developments in the animal feed industry, you cannot do better than subscribe to the journal that the rest of the industry reads and values – the journal exclusively devoted to feed – ***Feed Compounder***.
